**RUSSELL NELMS, Plan Administrator**, for that certain Modified Third Amended Plan of Liquidation for Griddy Energy, LLC under Chapter 11 of the Bankruptcy Code, dated May 26, 2021 [Docket No. 311](and as amended, modified and/or supplemented, the "Plan"), filed by Griddy Energy, LLC (the "Debtor") and confirmed by that certain Confirmation Order, dated July 7, 2021 [Docket No. 386](the "Confirmation Order"), hereby files this Limited Objection seeking to reclassify Claim No. **180** of **Charlinie Ragoonanan**, and in support thereof, respectfully states:

**Jurisdiction and Authority**

1. This Court has jurisdiction of this matter, pursuant to 28 U.S.C. §1334. This matter is a core proceeding pursuant to 28 U.S.C. §157(b). Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.
2. The Court has the authority to grant the requested relief pursuant to Sections 105(a), 502 and 503 of the Bankruptcy Code, Rule 3007 of the Federal Rules of Bankruptcy Procedure and Rule 3007-1 of the Bankruptcy Local Rules and the confirmed Plan.

**Background**

3. On March 15, 2021 (the "Petition Date"), the Debtor filed a voluntary petition for relief under Chapter 11 of the Bankruptcy Code. On July 7, 2021, the Debtor confirmed its liquidating Plan and the Plan Administrator is charged with implementing the Plan, including the determination of the propriety, classification and validity of claims.

4. Pursuant to the Plan, the Plan Administrator is responsible for evaluating asserted claims against the Debtor, and, if necessary, objecting to same. The Plan provides the Plan Administrator authority to compromise, settle and resolve asserted claims, without the need for Bankruptcy Court approval.

**Claim and Objection to Reclassify as an Unsecured Class 5 Customer Claim**

5. Claimant is a former customer of the Debtor. Claimant has filed the Claim, for damages, charges or other negative consequences and/or alleged injuries resulting from his contract with the Debtor for the purchase of electricity and the increased prices thereof, associated with Winter Storm Uri, on or about February 13-19, 2021. A copy of the Claim, without exhibits, is attached hereto as Exhibit "A." The Claim relates to costs and damages prior to the Petition Date. Nonetheless, there is some indication within the Claim that the Claim, as filed, purports to assert that some portion or all of the Claim should be accorded the status of an administrative claim<sup>2</sup> or of a priority claim.<sup>3</sup>
6. The Claim is for the high cost of Claimant's energy bill, not for the payment of goods provided by Claimant to the Debtor, pre-petition or for a deposit toward purchase, lease or rental of property or services. There is no dispute that the Claim relates solely to claims which arose pre-petition. The Claim does not represent any cost incurred by Claimant to enhance, preserve or benefit the Debtor, or its estate, after the Petition Date, and no statutory bases exist for the

<sup>2</sup> Question 13 asks if all or part of the Claim would qualify as a Section 503(b)(9) reclamation claim. In this instance, Claimant has filled in Question 13 with the Claim amount, implying that the Claim should be treated as a 503(b)(9) Claim.

<sup>3</sup> Question 12 asks if all or part of the Claim would qualify as a Section 507(a) claim. In this instance, Claimant has filled in Question 12, and has check the box associated with priority claims under 507(a)(7) for certain deposits, potentially asserting that the Claim should be treated as a 507(a) priority claim.

Claim to be classified as an administrative claim pursuant to Section 503 or a priority claim pursuant to Section 507 of the Bankruptcy Code.

7. The Plan represents, in part, an accommodation to Debtor's former customers by providing that claims such as Claimant's could be treated under the Plan as unsecured claims in Class 5 – Customer Claims. Under the Plan, allowed Class 5 claims are entitled to receive certain pro rata distributions as provided in the Plan.
8. The Claim does not qualify for administrative or priority status and should be classified as a Class 5 Customer Claim. This objection seeks merely to reclassify the Claim to its proper class and no other adjudication is hereby requested to be made as to the validity or allowability of such claim, such other objections, if any, are being hereby reserved.
9. An Unsworn Declaration under Penalty of Perjury of the Plan Administrator, Russell Nelms, in support of this Objection is attached hereto as Exhibit "B".

WHEREFORE, PREMISES CONSIDERED, the Plan Administrator, on behalf of the Debtor, respectfully requests this Honorable Court to disallow the Claim as an administrative or priority claim and to reclassify it as a Class 5 – Customer Claim, without prejudice to further objection, if any, as to its validity or amount and for such further relief to which it may show itself justly entitled.

Respectfully submitted,
